## Indianapolis-Based Attorney Mom Works to Support, Raise Awareness for Unique Needs of Attorney Moms in the Workplace

*Peele Law Group to serve as Presenting Sponsor of inaugural MothersEsquire annual conference*

May 2, 2022 – Indianapolis, IN - Indianapolis-based [Peele Law Group](#) will support lawyer moms as the Presenting Sponsor for the inaugural [MothersEsquire](#) annual conference, *Together We Rise*, in Louisville, KY, May 13, 2022.

Recently named to the MothersEsquire Board of Directors, Amie Peele, founding partner of Peele Law Group, will also serve as a panelist for the conference, speaking to attendees about her experience as a mother attorney and offering insights as to how other attorney moms can jumpstart their own law careers.

MothersEsquire is the nation's only nonprofit organization devoted to the professional development of women attorneys with children. As such, *Together We Rise* is proud to be a child and nursing-friendly event. Designed to reignite passion for building a law career that works for lawyer-moms and their families, *Together We Rise* is for all attorney women with children, including those who may be craving the opportunity to return to a sense of normalcy after over two years of work routine disruptions.

"This is an opportunity for women who to come together, connect and network and recharge," said Peele. "Our firm gladly supports MothersEsquire's mission to achieve gender equity in the legal profession by improving promotion and retention rates of women and mothers in law, an issue that I am personally passionate about."

With over 20 years leading the intellectual property law industry, Peele has been making waves as of late, having recently earned her third consecutive spot on the World Trademark Review 1000 list of honorees, a trademark-focused industry-leading resource that identifies the top trademark professionals in key jurisdictions around the globe. Peele is one of only 4 attorneys to earn a gold ranking in the state of Indiana.
